CHIP Volunteer Form

**Yes, I want to get involved by becoming a volunteer at CHIP
I am interested in:**

- Assisting to increase public awareness of CHIP's programs and services (publicity, media liaison, etc.)
- Collaborating with National Hearing Impaired organizations by lobbying the Government for services to increase quality of life
- Helping with office work (mailing, filing, telephone liaison, computer file maintenance, preparing and collating workshop handout materials, utilizing Office software)
- Assisting in planning and organizing CHIP workshops, special seminars
- Distributing CHIP program information and literature in the community
- Assisting in grant applications to Government agencies
- Helping at the Resource Office recommending appropriate assistive devices to clients, minor maintenance of assistive devices, setting up equipments at CHIP functions
- Assisting on CHIP presentations to community service organizations, senior groups and residences, church groups, educational institutions, and community CLSs
